Telephone - +971 4 3573361

E-Mail - didar.ljcd@jumeirahcollege.com

E-Portfolio - www.didarloghmani.wix.com/didar

I am a 16 year old Iranian living in Dubai.

Career Objective

My top career choices at the moment are **Architectural Engineering**, and **Graphics Design**. Although I have given some thought to Computer Engineering and Civil Engineering as well. I am hoping that this work experience will help with the decision making. I am looking to take away with me from this experience, not only a better understanding of my desired fields, but also an insight into the working world. I have an interest for the Arts and I have previously worked with Photoshop.

Academic Qualifications

Al Salam Private School - Dubai

Jumeirah College - Dubai

September 2006 - June 2015

September 2015 till present

GCSEs to be taken by June 2017

- | | |
|-------------------------------------|-------------|
| ❖ Math | ❖ Arabic |
| ❖ Statistics | ❖ Turkish |
| ❖ English Language (First Language) | ❖ Farsi |
| ❖ English Literature | ❖ Computing |
| ❖ Chemistry | ❖ Art |
| ❖ Biology | ❖ Business |
| ❖ Physics | |

My favourite subjects are **Math** and **Art**.

I love Math because it does not involve lots of memorising and its very logical, it's also very applicable to every day life.

I love Art because I like pushing my boundaries each time, and I love the great satisfaction of producing a perfect piece.

I think all of these subjects have taught me many transferable skills, that can be used across job roles and functions, such as **Communication**, **Analysis**, **Creativity** and most importantly, **Independent Thinking**.

I have given my Math, Statistics and Arabic GCSEs at the end of this academic year.

After GCSEs I will be doing A Levels for two years at Jumeirah College (until 2019).

I have been in the student council for two years in my old school, as the Vice Captain, and the following year, the Captain of my house.

Knowledge

- ❖ Adobe Photoshop - I have taken an online course on Adobe Photoshop and I have used the theoretical skills in practical environment in my summer job and in school
- ❖ Photography - Please visit my [E-Portfolio](#) to see some of my work
- ❖ Music - Piano, Grade 3
- ❖ Microsoft Office

Personal Skills

- ❖ Perseverance
- ❖ Attention to detail
- ❖ Creative flair
- ❖ Self Motivated
- ❖ Strong work ethic

Hobbies and Interests

My favourite things to do are mainly drawing and painting. I also enjoy playing the piano and I have been doing ballet since I was 7.

Languages

- ❖ **Farsi (Persian)** - I am a native Persian, I am confident in speaking, reading, writing and typing in Farsi.
- ❖ I have studied **English** as a first language for 10 years now, I am quite proficient in it.
- ❖ I learned **Turkish** from one of my friends, over two years and now I speak fluently. I can speak, read, write and type in Turkish.
- ❖ I also know **Arabic** and **French** at a conversational level, I've studied them in school for 9 years.

Recommendations

I have been working at Netronics Communications LLC (regional office of Canadian provider of communications equipment) every summer since I was 9 years old. I have done a range of jobs such as photo-retouching, typing in Persian, data entry and market research. To see my Recommendation Letter from Netronics Communications please click [here](#).
